Star Club Development Program

<https://www.starclub.sa.gov.au/>

A STARCLUB is a well-run club where quality coaches and officials work alongside valued volunteers in a safe and welcoming environment. Measure your club against the STARCLUB criteria and get information and support to continue the development of your club to provide the best environment possible for your members and the wider community.

Clubs SA

Through Clubs SA there are many streams of funding available for the not-for-profit sector, including Clubs. Before applying for any stream of funding it is recommended that clubs contact Clubs SA for further details and assistance on the application process. Each stream of funding has different requirements and is set up to support different types of projects. Clubs SA encourages all applicants to fill out the submission forms correctly to ensure all criteria is met. For further information contact Clubs SA: <https://www.clubssa.com.au/about/funding/>.

Good sports program

The *Good Sports Program* is proudly run by the Alcohol and Drug Foundation and is all about reducing the harm of alcohol and other drugs in sporting clubs and communities. Being a Good Sports club and displaying your affiliation to the [Good sports program](#) shows that your club promotes a responsible attitude towards alcohol and a safe environment for players, members, families and supporters.

The program gives clubs the support they need to:

- Hold safer, more family-friendly club celebrations
- Increase club membership and participation
- Be a leader and positive role-model in the community
- Strengthen grant/sponsorship opportunities – an increasing number of councils are requiring clubs to be Good Sports accredited prior to applying for grants. *Good Sports* clubs can be provided with letters to support their application.
- With every level of the Program clubs/associations complete, a \$150 Good Sports voucher will be offered. This can be used to purchase Good Sports merchandise that can be used to raise the club's profile and promote the club's alignment with Good Sports values around a safe, family, friendly environment.
- For the clubs going through StarClub, Good Sports can assist these clubs with completing StarClub (ticking off Point 25). To gain a full StarClub accreditation status, a StarClub Field Officer will come out to each club to have a look around. Good Sports can help clubs with this final process, because when clubs actively promote that they're a Good Sports Club, they are demonstrating their club's alignment with healthy, family-friendly messaging.
