## Local Council Grants

There are community grants available for many purposes. Some are offered by councils and you can access [SA council contact details here](#). Councils often advertise in the local paper and community notice boards when grants can be applied for.

Local Councils are advertising now for grants. Check out your local council's website.

- apart from grants local Councils will often offer advice and assistance to clubs through seminars, consultation with their advisors re Constitutional changes or rewriting, mediation etc. They will sometimes offer to cover the cost of consultation for a few hours.

## Star Club Development Program

<https://www.starclub.sa.gov.au/>

A STARCLUB is a well-run club where quality coaches and officials work alongside valued volunteers in a safe and welcoming environment. Measure your club against the STARCLUB criteria and get information and support to continue the development of your club to provide the best environment possible for your members and the wider community.

## Clubs SA

Through Clubs SA there are many streams of funding available for the not-for-profit sector, including Clubs. Before applying for any stream of funding it is recommended that clubs contact Clubs SA for further details and assistance on the application process. Each stream of funding has different requirements and is set up to support different types of projects. Clubs SA encourages all applicants to fill out the submission forms correctly to ensure all criteria is met. For further information contact Clubs SA: <https://www.clubssa.com.au/about/funding/>.

## Good sports program

The *Good Sports Program* is proudly run by the Alcohol and Drug Foundation and is all about reducing the harm of alcohol and other drugs in sporting clubs and communities. Being a Good Sports club and displaying your affiliation to the [Good sports program](#) shows that your club promotes a responsible attitude towards alcohol and a safe environment for players, members, families and supporters.

The program gives clubs the support they need to:

- Hold safer, more family-friendly club celebrations
- Increase club membership and participation
- Be a leader and positive role-model in the community
- Strengthen grant/sponsorship opportunities – an increasing number of councils are requiring clubs to be Good Sports accredited prior to applying for grants. *Good Sports* clubs can be provided with letters to support their application.
- With every level of the Program clubs/associations complete, a \$150 Good Sports voucher will be offered. This can be used to purchase Good Sports merchandise that can be used to raise the club's profile and promote the club's alignment with Good Sports values around a safe, family, friendly environment.
- For the clubs going through StarClub, Good Sports can assist these clubs with completing StarClub (ticking off Point 25). To gain a full StarClub accreditation status, a StarClub Field Officer will come out to each club to have

a look around. Good Sports can help clubs with this final process, because when clubs actively promote that they're a Good Sports Club, they are demonstrating their club's alignment with healthy, family-friendly messaging.

#### Other programs to assist with managing your club:

- SARPA website

**SARPA website- has a "Managing Your Club" section.** This was previously known as the "Secretary's Manual". SARPA has made this available to all SARPA members. The document which assists in the daily, monthly and yearly management of your club with links to every form. Forms are also available in a list at back in Appendices for easy access.

To gain access to the SARPA website go to:

[www.sarpa.org.au/sarpa](http://www.sarpa.org.au/sarpa)

Under logo-in click on Register and fill in the details (you will need your SARPA Number) These need to be validated by the SARPA Secretary. In about 24 – 48 hours you will receive an email stating you have access.

- CLUB PLUS

"Club Plus Database" is a program for tracking Membership, Scores & Fees for shooting Clubs. It is a great help with administration of your club Membership details, Membership Fees, Weekly scores, Member Licence details, Participation/ Attendances, Club Assets and a whole lot more.....

Created by a pistol shooter for pistol shooters.

A demonstration program is available from:

Contact: Bruce Favell 0419 372 151

Email: [auspistol@auspistol.com.au](mailto:auspistol@auspistol.com.au)

- **OpenWPLus**

OpenWPlus has been designed to help in the scoring of competitions for all ISSF, Service Pistol, Service 25, WA1500 (150, 60 & 48 shot matches) and Black Powder matches.

OpenWPlus is based on the highly successful Open for Windows but has been totally rewritten to run on Windows XP thru to Windows 10 (32 and 64 bit versions).

Entries can be recorded along with Entry Fee information and of course grades for matches entered. Reports that list Entries by surname or by entry number are just a click away.

Other reports such as Shared Pistols, Range Registers, Bank Deposit slips, Chronographing lists, etc are available in the program.

A redesigned 'email' function can quickly send competitors squadding and results via email very easily. Automatically include other parties (ie State Assoc.) in results email out. (Internet connection required.)

Scoring features the same functions as OpenW, including being able to enter scores as either 5 or 10 shot totals or as single shots. The program calculates totals automatically and sorts the results into

order allowing for Shoot Offs or Countbacks. Scores can be entered using just a single keystroke, making this method of data entry faster than any calculator.

Scoring of 'Finals' is also possible in OpenWPlus. Print a 'notice' for listing the Finalists in a match, along with any comments about the Final.

A demonstration program is available from:

- SARPA also write letters of support for those clubs who require it for their grant application or indeed any request. Contact SARPA secretary.

- **NEW**

**SASMA, would like to introduce to their latest initiative known as Sports Safety and Risk Management (SSARM)!**

SSARM was launched last month (March 2019) at an event attended by members of the local sporting community, including some of yourselves.

The SSARM initiative received funding from Office of Recreation, Sport and Racing, and aims to provide an online hub to support sporting clubs across South Australia in managing risk and safety. Community consultation with sporting clubs, together with further consultation across the medical and allied health professions helped shape the focus to create guidelines in best practice across the sporting sector.

The SSARM online hub provides resources across three main themes:

- Club Management
- Club Facilities
- Player Health & Wellbeing

Within each theme, resources are provided to support your club including documentation and policies to develop guidelines on prevention and management of injury and illness.

SASMA will be promoting SSARM as a ready-to-use and easily accessible resource for sporting clubs to use and endorse best practice in safety and wellbeing.

Sports Safety Officer courses will be held by SASMA soon to demonstrate the resources available on the hub and how this can benefit clubs and provide consistency across the sporting community.

Visit the **SSARM** website to see the resources available at [www.ssarm.com.au](http://www.ssarm.com.au) !!!

This is a really important resource that can greatly assist sporting clubs to ensure they have their players health and wellbeing as **number 1** - and SASMA would greatly appreciate any assistance from your association to get SSARM out there and utilised by as many in the sporting community as possible!

Hear [what our members have to say](#) about SSARM - this is a great video that can be used to promote SSARM through your networks!

**GOOD LUCK**
